CATIC® Receives 2020 Laserfiche Run Smarter® Award Laserfiche recognizes CATIC for Regional Choice – North America category

Rocky Hill, Connecticut 2/2/21 — CATIC is pleased to announce that it has won a 2020 Laserfiche Run Smarter® Award. [Laserfiche](#) — the leading SaaS provider of intelligent content management and business process automation — launched the Run Smarter® Awards in 2005 to recognize organizations that use Laserfiche to improve productivity, innovate processes and achieve exceptional business results.

“Laserfiche has allowed CATIC to accelerate its efficiency by eliminating paper, physical steps, reducing process and wait times while also increasing capacity, thus allowing us to easily embrace the concepts of LEAN and Continuous Improvement. In all, Laserfiche has saved CATIC an average of \$200,000 annually,” said Chris Cooper, CATIC’s Business Analyst.

“WE STRIVE TO PRESERVE THE ROLE OF THE REAL ESTATE ATTORNEY AND INDEPENDENT TITLE AGENT BY PROVIDING BEST-IN-CLASS SUPPORT, SERVICES, AND INNOVATIVE TECHNOLOGICAL RESOURCES.”

“Unprecedented circumstances in 2020 required organizations to accelerate digital transformation initiatives to adapt,” said Melissa Henley, Senior Director of Customer Experience at Laserfiche. “This year’s winners showed great capacity for creativity, innovation and adaptability, and proved that it’s possible to innovate and thrive no matter the circumstance. Congratulations to this year’s winners — we’re excited to honor their achievements during Empower 2021!”
