CATIC Has Been Named a Top Workplace for the Third Year in a Row by the Hartford Courant.

CATIC has been named a Top Workplace for the third year in a row by the Hartford Courant. We are thrilled to receive such a prestigious award and to be acknowledged for the services we provide. CATIC was also given special recognition during this year’s award ceremony for its role in promoting new ideas amongst its employees and CATIC was ranked number 10 this year in the small business category. These awards would not have been possible without the dedication of our talented staff, who worked diligently and efficiently despite the challenges they faced during these unprecedented times. Our focus here at CATIC has always been to ensure the success of our agents by providing them with first-in-class solutions, technology, and the education they need to succeed in a world where conducting business virtually is now considered the new norm.

Jim Czapiga, President and CEO of CATIC, stated, “These last few months have been very eye-opening for the senior staff here at CATIC. We had to rapidly adapt to a world where conducting interpersonal business transactions went on a bit of a hiatus. This meant that we had to devise strategies for managing the communication between our agents and staff remotely. We are so grateful for the hard work and dedication of our staff in meeting these challenges.”
