INTRODUCTION

The CATIC Family of Companies: We are the preferred provider for numerous banks in our footprint, and our policies are universally accepted in the secondary market and by **THOUSANDS** of lenders nationwide. CATIC Family of Companies (hereafter, "CATIC") is also a member of the American Land Title Association (ALTA), and we are currently licensed as an underwriter to issue policies in more than 20 states. We are a strongly capitalized title insurance underwriter relative to total outstanding policy obligations. We have sustained year-over-year growth and increased statutory surplus for the last several consecutive years.

We have a streamlined claims payment ability, eliminating layers of approvals to avoid delays, ensuring a quick resolution. Additional coverage is provided by Lloyd's of London through two leading underwriters: Beazley Syndicate and Chaucer Ltd. By limiting exposure and spreading the risk to multiple Lloyd's syndicates, we provide you with better protection.
