

CATIC Exchange Solutions, Inc.

Dear Mortgage Professional:

CATIC Exchange Solutions is pleased to announce that it now offers mortgage broker and lender bonds for a low annual premium.

Because mortgage brokers and lenders must file a surety bond in the state(s) where they do business, CATIC Exchange Solutions is committed to **same day bond underwriting and issuance**. Simply download and complete the attached application (click [here](#) for Broker bond, click [here](#) for Lender bond) and fax the same back to CATIC Exchange Solutions at 860-513-3132.

Please note that our underwriter, CNA Surety, refers to the broker/lender bond as a "License and Permit Bond" on the application. Therefore, be sure to complete Part 6, labeled "License and Permit Bond." Also, by signing the application you consent to CNA performing a credit check.

As longtime members, event sponsors, and leaders in the real estate industry, the CATIC Financial family will help make the bond process easy and affordable so you can focus on running your business. CATIC® offers a wide variety of educational programs for real estate attorneys and mortgage professionals. For more information about upcoming CATIC classes and industry events, please visit www.CaticAccess.com.

Sincerely,
Anthony M. Lombardi, Esq.
Senior Vice President
