

CATIC® Post-Closing Policy Services

SPECIFICALLY DESIGNED TO SAVE YOU TIME AND MONEY

One call to CATIC is all it takes!

We offer complete post-closing policy services designed to save our agents time and money.

Have you stopped to calculate what post-closing activities are actually costing your practice? The fact is, every time someone on your staff prepares a change endorsement or a lender requests a recorded document, it costs your firm.

Multiply these costs by the number of closings you do, and the number of post-closing tasks each one can trigger, and they add up to a significant amount of money.

Close your file, free up your staff for more critical tasks, and retain more of the dollars you work so hard to earn. Our skilled staff will handle every request quickly and correctly.

Don't let the hidden costs of post-closing details detract from your firm's bottom line. For expert service on all post-closing related requests, call CATIC's Endorsement Group at 800-842-2216.

Post-Closing Services from CATIC include:

- Preparing endorsements including corrective, commercial and customized endorsements
- Title continuances for endorsements including bringdowns
