USING A PREVIOUS CATIC POLICY

If you are ordering a Full Search, if you wish, *and upon your request*, CATIC will look for a previous CATIC policy not more than 30 years old and have the search commenced from the date of the previous policy. In this case, the title search will be priced as follows:

- If policy is in the current owner, or is 10 years old or less: \$100 (residential) or starts at \$125 (commercial)
- If more than 10 years old, but not more than 30 years old: \$155 (residential) or starts at \$200 (commercial)

If there is no such previous policy, a Full Search will be performed and priced accordingly.

FORECLOSURE AND PROBATE SEARCHES/MULTIPLE TOWNS

Court file reviews will be required if the current owner is a decedent or devisee, or acquired title through foreclosure. Court records will automatically be checked and an additional fee of \$75 will apply. In addition, if the property is located in more than one town, an additional fee of \$75 will apply for each additional town searched.

Searches coordinated through CATIC may be used only in connection with the issuance of a CATIC title insurance policy. The search is not a certification of title nor a guaranty of information contained therein and will be subject to the terms, conditions, exclusions and limitations contained in the title policy/policies to be issued.

A search commencing with the most recent bona fide conveyance for consideration. A current owner search may be used *only* for preparation of a CATIC mortgagee title insurance policy in a residential refinance where the new mortgagee is an institutional lender. A current owner search *cannot* be relied upon for preparation of an owner title insurance policy.

Title Update of a Previous Title Search

The search is not a certification of title nor a guaranty of information contained therein and will be subject to the terms, conditions, exclusions and limitations contained in the title policy/policies to be issued.
